

Safety Measures by DC COVID-19 Community Level: Fall 2022

Low	Medium	High
<ul style="list-style-type: none"> • Masks <u>optional</u>* • Vaccinations: <ul style="list-style-type: none"> - (All Students) Up to date with routine pediatric immunizations - (12+ and Staff) COVID-19 required - (PK+) COVID-19 strongly recommended • Required surveillance testing: <ul style="list-style-type: none"> - (All) Rapid antigen test on first day of SY22/23 and after holiday breaks • Other required testing: <ul style="list-style-type: none"> - (Unvaccinated/non-up-to-date) Rapid antigen <u>or</u> PCR test on day five after close contact - (All) Rapid antigen <u>or</u> PCR test to return after (2+) COVID symptoms that keep students home from school - (All) Rapid antigen test on day five of positive diagnosis • NEW (All) Campus based symptomatic testing program; students who exhibit symptoms at school will be given a rapid antigen test on site. • Test to stay program for at school unvaccinated/non-up-to-date close contacts offered through 10/31 • Five day quarantine for outside unvaccinated/non-up-to-date close contacts** • Five day isolation for positive cases if negative rapid test on day five • WYY Data Dashboard 	<ul style="list-style-type: none"> • Masks <u>optional</u>* • Vaccinations: <ul style="list-style-type: none"> - (All Students) Up to date with routine pediatric immunizations - (12+ and Staff) COVID-19 required - (PK+) COVID-19 strongly recommended • Required surveillance testing: <ul style="list-style-type: none"> - (All) Rapid antigen test on first day of SY22/23 and after holiday breaks • Other required testing: <ul style="list-style-type: none"> - (Unvaccinated/non-up-to-date) Rapid antigen <u>or</u> PCR test on day five after close contact - (All) Rapid antigen <u>or</u> PCR test to return after (2+) COVID symptoms that keep students home from school - (All) Rapid antigen test on day five of positive diagnosis - (Unvaccinated/non-up-to-date) Rapid antigen test on first day back to Yu Ying after travel outside DC, MD or VA plus 3 - 5 days after return • NEW (All) Campus based symptomatic testing program; students who exhibit symptoms at school will be given a rapid antigen test on site. • Test to stay program for at school unvaccinated/non-up-to-date close contacts offered through 10/31 • Five day quarantine for outside unvaccinated/non-up-to-date close contacts** 	<ul style="list-style-type: none"> • Masks required indoors <u>and</u> outdoors • Vaccinations: <ul style="list-style-type: none"> - (All Students) Up to date with routine pediatric immunizations - (12+ and Staff) COVID-19 required - (PK+) COVID-19 strongly recommended • Required surveillance testing: <ul style="list-style-type: none"> - (All) Rapid antigen test on first day of SY22/23 and after holiday breaks - $\geq 20\%$ of all students and staff tested weekly; all unvaccinated + random selection of vaccinated community • Other required testing: <ul style="list-style-type: none"> - (Unvaccinated/non-up-to-date) Rapid antigen <u>or</u> PCR test on day five after close contact - (All) PCR test to return after (2+) COVID symptoms that keep students home from school - (All) Rapid antigen test on day five of positive diagnosis - (Unvaccinated/non-up-to-date) Rapid antigen test on first day back to Yu Ying after travel outside DC, MD or VA plus 3 - 5 days after return • NEW (All) Campus based symptomatic testing program; students who exhibit symptoms at school will be given a rapid antigen test on site. • Test to stay program for at school unvaccinated/non-up-to-date close contacts offered through 10/31

<ul style="list-style-type: none"> • Contact tracing for positive case reporting; communications at the class and grade level • Visitors welcomed back on campus for <u>indoor and outdoor activities</u> 	<ul style="list-style-type: none"> • Five day isolation for positive cases if negative rapid test on day five • Travel survey <u>recommended</u> • WYY Data Dashboard • Contact tracing for positive case reporting; communications at the class and grade level • Visitors welcomed back on campus for <u>indoor and outdoor activities</u> • As needed set up “pop up” isolation spaces 	<ul style="list-style-type: none"> • Five day quarantine for outside unvaccinated/non-up-to-date close contacts** • Five day isolation for positive cases if negative rapid test on day five • Travel survey <u>required</u> • Five day quarantine after travel for unvaccinated/non-up-to-date people • WYY Data Dashboard • Contact tracing for positive case reporting; communications at the class and grade level • Visitor policy restrictions including limited opportunities indoors and/or required testing • Daily Health Screening via School Pass • Convert indoor classroom space (RM 216) into dedicated isolation room • Cohorting at the grade level for daytime and REEF activities
---	---	--

* Review the mask policy chart to see when students and staff must wear a mask, even if the DC COVID-19 community level is low.

** The quarantine time may be longer for unvaccinated/non-up-to-date close contacts who can't isolate from the positive person.

Check the DC COVID-19 community level here: <https://coronavirus.dc.gov/key-metrics>. ***Yu Ying reserves the right to update or change these safety measures based on our school's positive case count, campus based outbreak data and/or community spread.**
