

READING

1. Read the text

MY UNCLE'S FARM

My uncle Tom has a small farm. He has lots of chickens there. Every summer, during the holidays, I go to his farm and help him. I feed the chickens and collect and clean the eggs. It is very interesting, and uncle Tom pays me something for my help. Twice a week we put the eggs in boxes and take them to town. My uncle sells them. He gets quite a lot of money for them.

2. Mark statements as true (T) or false (F)
