

## Walk in my shoes (Adult learner - School teacher)

| Common school experiences                                                                       | Name: | Name: | Name: |
|-------------------------------------------------------------------------------------------------|-------|-------|-------|
| Listen to a 15 minute oral briefing and then follow the instructions                            |       |       |       |
| Watching 20 min video and participate in large group discussion                                 |       |       |       |
| Hand in (on time) whole class school reports due in 5 weeks                                     |       |       |       |
| Participate in think, pair, share during a staff meeting                                        |       |       |       |
| Due to staff sickness, instead of your planned release day, you need to lead the EOTC farm trip |       |       |       |
| Delivering a presentation to the board of Trustees                                              |       |       |       |
| Participate in a timed-online quiz                                                              |       |       |       |
| Welcoming and thanking visitors to whole school assembly speaking te reo Māori                  |       |       |       |
| Asking for help when you need support to finish student assessments                             |       |       |       |
| Attending a staff meeting and you are told no lap tops                                          |       |       |       |
| Classroom release day and all the work spaces have colleagues talking in them.                  |       |       |       |
