ST. MARTHA UNIFORM HIGHLIGHTS

More info on the specifics of the dress code should be reviewed in the full school handbook.

Please label all student clothing items. If the name of a previous owner is in the article of clothing, please mark out and update the name.

The administration has the responsibility and authority to determine the appropriateness of clothing, hairstyles, and accessories using the following code as guidelines. As a catholic school, all uniform policies follow traditional male/female gender roles.

To order branded uniform items, please visit Louisville Sporting Goods in person or shop online.

PERSONAL APPEARANCE

Students are to be neatly dressed and well groomed. The school principal or assistant principal is the judge of what is acceptable in both dress and hairstyles.

Hair must be neat (washed, brushed, and no "bed head") at all times and out of the face and eyes. Hair is to be cut and styled so as not to be a distraction. Hair fads and unnatural hair colors are not permitted. Decisions concerning fads are left to the discretion of the principal or assistant principal. No facial hair is permitted. Teachers/staff have the right to request that student hair be tucked behind the ear or brushed out of the face in the event hair is in the face or is distracting to the student or others.

Personal appearance must be clean and neat at all times. Clothing should fit the child and not fit too loosely or too tightly. All shirts worn with the "regular uniform" must be tucked in. Skirts may be no shorter than fingertip length. Uniform shorts must be modest length and go to the child's fingertips when arms are straight down at the student's side.

Drawing or writing on hands, arms and other body parts is not allowed. No temporary tattoos.

Sometimes extenuating circumstances may occur in which a student may not be in uniform. Should this occur, please send a note of explanation with the child who is not in uniform. Unexcused violations will be considered deliberate and dealt with accordingly.
