

Santa Rosa Junior Varsity Football Summer Schedule

Thank you for your interest in playing football at Santa Rosa High School. Athletics is a great way to transition from 8th grade into high school. As our games start the first week of school, our preparations begin during the summer. Below is our summer schedule. It is highly recommended that you join us for our summer program to meet the coaches, your teammates and learn what it takes to play football at the Junior Varsity level. During the summer the team will be working on strength, conditioning and teaching the skills needed to play football, all while evaluating each athlete to place them in areas to maximize their potential. We look forward to meeting you and your family. Welcome to Santa Rosa High School. Go Panthers!

Parent/Player meeting June 15th! On the 15th at 5:00pm, the football program will have a season kickoff BBQ. The JV will meet and be shown around the football facilities, locker rooms and team room.
