Topic “Working Day”

It is Wednesday. It is a very busy day. Victor gets up at seven o'clock. He quickly makes his bed, does morning exercises, washes, brushes his teeth and dresses. He has a light breakfast and goes to school. He has six lessons there.

On Wednesdays after school Victor goes to the sports club. The trainer teaches boys to play football well, to pass the ball. But the main thing is that sport makes them friendly.

After the club Victor goes to his grandmother. He usually helps her to bring water, to feed rabbits or goes shopping. Granny cooks a tasty dinner for her grandson. Victor likes her borsch and pies. Then he goes home.

Victor is tired, so he has a short rest playing computer games. After that he does his homework. It takes him two hours to do it. So he is free only at 8 o'clock in the evening. At this time there is an interesting film on TV. He watches it together with his family. Today he doesn't have much time to read a book. But before going to bed he reads two-three pages.
