

Statewide EE Training Calendar July, 2018 - June, 2019

Virtual Evaluator Trainings

Description:

The virtual evaluator trainings are for evaluators who were unable to attend a face-to-face regional evaluator training or for those who would like a refresher. This training introduces the Frontline Education platform and provides evaluators the opportunity to practice tools that are useful when monitoring and completing the evaluation process for evaluated educators. The training will also assist evaluators in understanding the assigned forms the evaluator is required to complete for his/her own evaluation. **The district does not need to have the site configured in order for evaluators to attend a training. Participants will work in Frontline Education demo accounts during the training.**

Who should attend:

All administrators who will be evaluating educators and principals using Frontline Education.

Role of the CESA:

Facilitated online via Zoom by CESA 6.

*All regional trainings are the same so please communicate to districts all locations and times to ensure every opportunity to participate.

Face to Face Initial Evaluator Training

Description:

The face to face evaluator trainings are for evaluators who are new to the role of evaluator or for those who would like a refresher. This training introduces the Frontline Education platform and provides evaluators the opportunity to practice tools that are useful when monitoring and completing the evaluation process for evaluated educators. The training will also assist evaluators in understanding the assigned forms the evaluator is required to complete for his/her own evaluation. The district does not need to have the site configured in order for evaluators to attend a training. Participants will work in Frontline Education demo accounts during the training.

Who should attend:

All administrators who will be evaluating educators and principals using Frontline Education.

CESA User Management System Support (TBD)

CESA EE IC to schedule

Description:

The purpose of the meetings is to provide district personnel in charge of the Frontline Education platform just in time training and updates. The meetings will also include platform tips that UMS support can share with administrators and educators when applicable.

Who should attend:

The people that should attend are district personnel who manage the Frontline Education platform and make evaluation process decisions.

Role of the CESA:

Please know UMS support should be part of your quarterly EE IC meetings and/or EPIC meetings if your CESA combines models for these meetings.
