I hope this email finds you well. I came across your compression shorts AD on Facebook. I was impressed by your product and noticed a few things that stood out to me.

Specifically, I liked the use of testimonials on your website, which can increase customer trust, and the "Limited Stock" line above the product description, which creates a sense of urgency to buy.

I wanted to help you out so I created 2 AD copies that should increase traffic and lower your CPC.

I have attached them to this email feel free to use them if you want.

I would love to hear your thoughts on them and I look forward to hearing from you soon.

Best regards,
Aly.
