

PROJECT "FAIR PLAY 4 INCLUSION"

NIGHT HIKING

On Friday, 16th July, **ENTREJUEGOS** organized again a night hiking route to the viewpoint and the Camorra Cross. This activity is included in the project **"FAIR PLAY 4 INCLUSION"** coordinated by "System & Generation Association" of Turkey.

Our volunteers guided this route to people coming from another town in the region to get to know these tourist spots in our village.

In addition, **ENTREJUEGOS** brought the Erasmus+ programme closer to these young people with the idea of involving them in future youth exchanges and trainings in Europe with our association.

Thus, 8 young people enjoyed 2 and a half hours of walking in a natural environment and in a pleasant environment at the same time that we create healthy habits during leisure time.
