

This Privacy Policy is designed to help you understand how we collect, use, disclose, and safeguard the personal information you provide to us through the use of our App. By using our App, you consent to the practices described in this Privacy Policy.

permissions:

1- Camera

Our App may request access to your device's camera to enable features that require photo or video capture. This permission allows you to utilize camera-related functionalities within the App.

2- Internet

Our App requires internet access to provide online features and services, such as content updates and data synchronization.

3- Write External Storage

Our App may request permission to write data to your device's external storage for purposes such as caching and saving user preferences.
