

## Jurojin Poker License Activation

After purchasing the Jurojin Poker license at the GipsyTeam store, you will receive a key that needs to be activated in the Jurojin application. If you have any questions regarding the activation of the purchased Jurojin license, please contact us on Telegram [@gt\\_shop](https://t.me/gt_shop) or email us at [shop@gipsyteam.com](mailto:shop@gipsyteam.com).

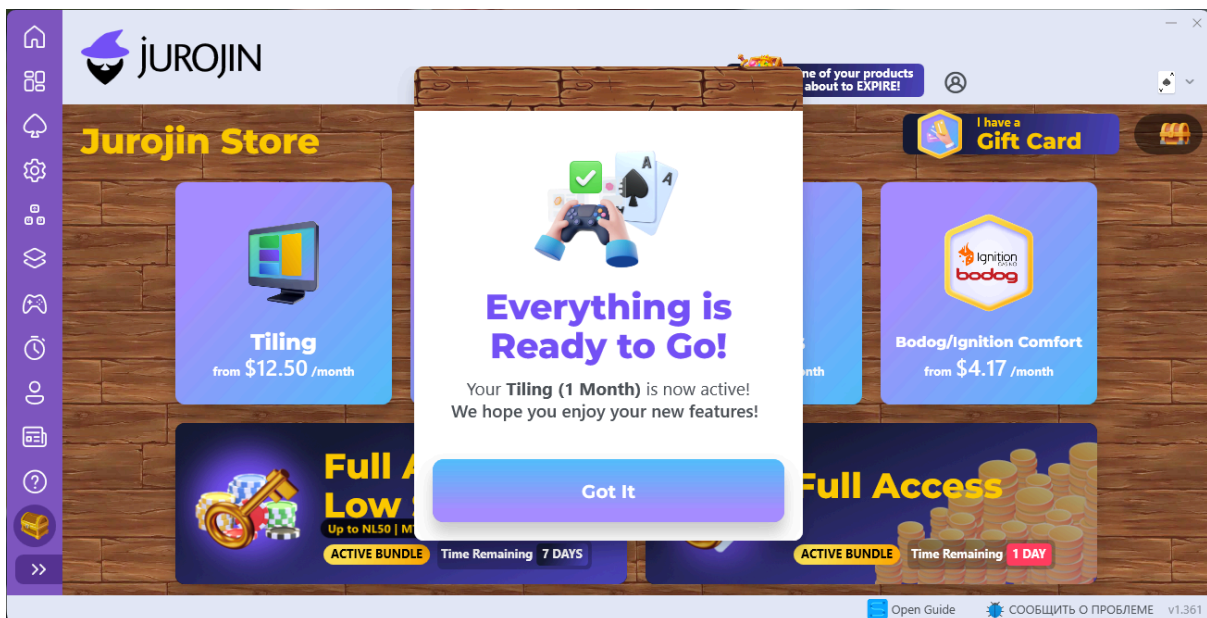

1. [Download the Jurojin Poker application](#) and install it on your PC.
2. Launch the program and log in to the account on which you intend to use the license. If you do not have an account, please register using any convenient method.
3. Open the Jurojin subscriptions tab (chest icon) and click on “**I have a Gift Card**”.

4. Enter the key you received in your email after payment and press the **"Redeem"** button. We recommend copying it from your email and pasting it into the required field to avoid typos and extra spaces.

5. After successfully activating the key, you will see a confirmation of the successful activation of your Jurojin Poker license.

Congratulations! Now you can enjoy all the features and capabilities of Jurojin Poker!

**Important!** The user must be logged into the Jurojin account where they will use the purchased license!
