Middletown High School is continuing with ***parking spot painting!*** In collaboration with building administration, Student Government is leading this fundraiser to (a) help lower the cost of Senior Activities at the close of this school year and (b) fund field trip opportunities throughout the school year (as funds permit). Allowing veteran students to paint their own parking spots is a great way to improve school pride and friendships. We encourage students to express themselves through positive artwork, to beautify the campus, to build school spirit, and to carry on a tradition that supports Senior Class activities and events!

MHS Student Government Fundraiser: Purchasing a parking space (and with it, the rights to paint said space within the given parameters) allows this year's Senior Class to partially offset the cost of their year-end, celebratory activities such as Senior Prom, Senior Week Activities, Graduation, and others. With that said, ***painting parking spots is a privilege***. Non-Painted parking spaces will continue to be available for Senior and Junior students as they remain available. Seniors are not required to decorate their parking spot. No additional fees above the initial parking permit fee (\$10) will be charged if a student chooses to decorate their assigned spot.

**IMPORTANT:** To paint a parking spot, students must turn in the attached form, have a valid driver's license and current registration.
