---

---

When Sweetie Belle is accepted into the mysterious Canterlot Music Meister Academy, she finds that life in a school filled with eccentric teachers, odd students, and lots of music is anything but normal.

---

## Volume One - Sweetie Belle's Precious Little Life

On a whim, Sweetie Belle signs up for a chance to be admitted to the prestigious Canterlot Music Meister Academy to test her skills as a musician. When she is accepted, a new world of adventure, danger, romance, and, of course, music open up to her; however, the CMMA is not without its own dangers. Under the watchful eye of Principal Luna and Octavia, the school desperately tries to maintain the peace in and around Equestria.

## Volume Two - Sweetie Belle vs. The World

Just as life at Canterlot Music Meister Academy began to get normal for Sweetie Belle, her latent black magic power begins to rear its ugly head. Working in secret, she must try to uncover its secrets before she is discovered by friends or teachers, as the war of black magic against music begins to reach a boiling point and threatens to spill all over Equestria.

## Volume Three - Sweetie Belle and the Infinite Sadness

Sweetie Belle thought her ordeal with black magic would end with fighting the zebra nemesis in the Everfree Forest. Instead, her victory set her and the CMMA on a warpath against all black magic users. The fight has taken its toll on Sweetie Belle and her friends. With time running out, it will be up to their group and whatever allies they can gather to save Equestria from a grisly fate.
