Online Resource Available to Introduce New Employees to STRS Ohio

As the new school year nears, STRS Ohio receives many requests to present general information about the retirement system to new employees working in STRS Ohio-covered positions. In an effort to assist as many members as possible, STRS Ohio offers its *Helping Your Future Grow* program as an online video. The video provides information for new employees about:

- Member and employer contribution rates
- STRS Ohio retirement plan options and features
- Considerations when selecting a retirement plan

The video can be accessed on STRS Ohio's member website (www.strsoh.org) under the Multimedia section or click on the link below.
