School Safety:

School safety is taken very seriously by the administration at Fay and will be maintained at all costs.

- Gates are closed by 8:40 a.m. and are not reopened until the end-of-day bell has rung.
- ALL visitors must check in at the office and wear a name badge: **NO EXCEPTIONS.**
- Students will NOT be released to someone that is not on the registration card there.
- Kindergarten through second-grade students are not allowed to walk home alone. Someone must pick them up: **NO EXCEPTIONS.**

If you notice something that may be unsafe, such as an open gate past 8:40 a.m. or a stranger around the school that looks suspicious, IMMEDIATELY report these issues to the office/administration.

Crisis Response

Our school has a Crisis Response Box that includes a comprehensive school safety plan. Required by the state, the plan includes policies and procedures for responding to:

- Disasters such as fire, earthquake, or situations requiring a lock down.
- Serious disciplinary problems.
- Child abuse.
- Sexual harassment.

Practice drills are held every month to ensure that students will be safe in the event of a disaster.
