Original Song and Lyrics by Jordan Loretz

[Verse 1]

The National Games are finally here
We have waited for two years for the
Competition—I just can't wait
Watching all my favorite sports is gonna be great

*** [Chorus] ***

Who will win? Who will lose?
Which event will I choose
To attend with my friends?
We can cheer until it ends
First place, second, or third
Win or lose, we're having fun
Touchdown! Goal! Homerun!

[Verse 2]

The National Games 2017
Athletes working as a team, it's in
Yilan County, I just can't wait
Watching all my favorite sports is gonna be great

*** [Chorus] ***

Who will win? Who will lose?
Which event will I choose
To attend with my friends?
We can cheer until it ends

*** [Chorus] ***
