

EPHESIANS - POWER & LOVE

October 11, 2020

Dear Parents,

If you could transform yourself, what would you want to change into, and why?

Would you be smarter? Stronger? Faster? Able to do ten things at once?

Ephesians 2 is all about how God changes who we are, how we should see ourselves, and how we get along with other people.

Paul says we used to all be dead, because of our sins, but in Christ, God makes us alive. And not just barely alive - He transforms us from strangers and foreigners into citizens, into holy people, and even members of God's family. Finally, together with all believers, each of us can be made into part of God's church, the people he lives in.

It's important for your teens to know they don't have to do **anything** to earn God's love. God already loves us!

If you accept Jesus, you can be transformed into a new person, full of hope, peace, and the power to do good together in the world.

Please encourage your students to come to our Bible Study group this week!

Student Life Bible Study meets at 3:40pm Sundays: <http://bit.ly/StudentLifeZoom>

"Dear Jesus, thank you for breaking down the walls that divide us from each other. Help us to trust in you so that we can live in peace. Please give each of us some good work to do for you this week. Amen."

With love, Sharon Rauenzahn (408.316.0136)
