- All school rules, as stated in the Green High School Student Handbook, are in effect.
- Once a student or guest leaves the dance, he/she will not be permitted to return.
- Students and guests are expected to obey the requests of all administrators, chaperones, security officers, facility personnel, and other school personnel.
- Students' and guests' behavior should be such as not to endanger the safety of others.
- Anyone violating the above rules in the code of conduct will be removed from the dance and subject to further disciplinary action. No money will be refunded.
- Students and guests must pass a breathalyzer test before entering the dance.
