every new school year is exciting it's
0:06
full of fresh perspectives and familiar
0:09
faces it's celebrating traditions and
0:11
growing into what's next hi I'm Paul
0:13
Myers This is my 25th year working in
0:16
Fort Zumwalt and it's my first as
0:18
superintendent you might recognize me
0:21
from my time as a middle school
0:22
assistant principal principal or maybe
0:25
because our kids went to school together
0:27
I have been part of this community for a
0:29
long time and this past year it has been
0:31
my privilege to work with so many people
0:33
on our continuous School Improvement
0:36
plan you'll hear us call it csip for
0:38
short having the chance to listen to
0:41
families students staff Business Leaders
0:45
and community members really drove home
0:48
how much people appreciate who we are as
0:51
a school district and what their hopes
0:53
are as we go forward
0:55
we found that families are asking for
0:57
support and employers are asking for a

1:00
Workforce that is better equipped for
1:02
the future and we can help
1:04
it is our mission to educate Empower and
1:07
equip students to excel that's what we
1:10
do
1:11
Fort Zumwalt educates students to be
1:13
future ready we Empower our students to
1:16
find their voice to discover and create
1:19
and we equip them to set goals work
1:22
together and be resilient we are
1:25
starting off this school year with
1:26
excitement and a fresh perspective and
1:29
one of my goals is to become an even
1:31
more familiar face for you I'm looking
1:33
forward to honoring our traditions and
1:35
growing into what's next
1:37
welcome back and I am really looking
1:39
forward to working with you
