

PARKWAY'S CAREER AND TECHNICAL EDUCATION

Parkway's Career and Technical Education (CTE) curriculum offers comprehensive programs that cover a diverse range of fields, including engineering, computer science, culinary arts, interior design, entrepreneurship, marketing, and more. Parkway's CTE programs are purposely designed to develop essential 21st-century skills. Our classrooms provide hands-on learning experiences, within an innovative environment for our future professionals. Our CTE curriculum is inclusive and equitable, empowering all students to pursue their passions.

At Parkway, our CTE curriculum is designed to equip students with the skills and knowledge they need to thrive in a rapidly evolving global economy. Whether students are interested in engineering pathways, crafting culinary delights, or launching their own fashion line, Parkway's CTE programs provide the foundation for success in college and career. Get excited about the possibilities as you begin navigating your career choices with the diverse course offerings here at Parkway, as we aim to inspire, innovate, and empower the next generation of leaders.
