- The price of the trip could change depending on how many people go on the trip.
- We take one chaperone for every 4 students
- All meals are included. The only money you need to send with your child is for souvenirs.
- The cost of the trip has been divided into four payments as listed on the Trip Commitment Form. Please note that these payments are nonrefundable. These payments can also be made through the handy online payment site that was also used for spaghetti dinner. <http://mrmsfundraisers.com/>
- If your child needs to take medication while on the trip, please contact our school nurse, Mrs. Lefavor. You and your child's doctor will need to complete a form in order for your child to receive medication while on the trip. You must turn in the medication and completed form to Mrs. Lefavor by April 17. A link to this form can be found on the website, under spring trip forms.

Roomates will be chosen utilizing a google form that Mr. S will have the students fill out in class and also on the Elementary School Tour, during our lunch break. The goal is that each student will be with at least one friend, and great care will be taken to make sure that the best possible arrangements are made for everyone.

Any and ALL MONEY sent to the school should be placed in an envelope and labeled with your students name - and placed DIRECTLY into the music mailbox!!
