

HIGH SCHOOL SUPPLIES LIST 2023–2024

Attire & Safety Supplies

We will be working outside through the course of the year. In general you will need to have outdoor items available for your specific use, however we may have some community supplies to loan.

- ☐ Boots — suitable for land stewardship activities and walks on wet ground.
- ☐ Rain jacket and rain pants — to be prepared for outdoor activities in a variety of weather.
- ☐ Watch — particularly needed for outdoor classes and field trips.
- ☐ The high school dress code is available [here](#).
- ☐ Personal supplies of sunblock, insect repellent, and hand sanitizer are allowed. *Use must be authorized by parent/guardian in the back to school forms and supplies should not be shared.*

Lunch Items

We ask our students, faculty, and staff to bring reusable lunch items for everyday use. Disposable supplies are only available at school events. Please label items with your name. Students will have access to a water bottle filling station downstairs, a hot water kettle and microwave in the hallway, and dish soap at classroom sinks.

- ☐ Lunchbox or suitable container
- ☐ Utensils
- ☐ Water bottle
- ☐ Thermos for any hot beverages

General School Supplies

- ☐ Backpack
- ☐ Pens and pencils
- ☐ Math class: Sharpened graphite pencils or mechanical pencils and lead
- ☐ Scientific calculator for grades 11 and 12
- ☐ Art colored pencils (similar to PrismaColor or Staedtler)
- ☐ Pencil sharpener
- ☐ Eraser and correction tape
- ☐ Binder, multi-subject
- ☐ Ruler with metric and English units
- ☐ Home printer, ink, and paper — we recommend a basic laser printer as it is more efficient, cheaper per page printed, and consistently reliable. *Students are expected to print their work outside of school.*
- ☐ Homework assignment book or planner. *These are provided for 9th graders.*
