CCMR Outcomes Bonus Maximization Services:

We kicked off CCMR support yesterday-thanks to all the Coaches and schools who attended. Tons of excitement for this support on the call-looking forward to more. Important links and info below:

CCMR Learning Hub: <https://fundingfutures.mayaconsultingllc.com/> This will host the majority of tools and resources for CCMR. Mostly asynchronous, but the more schools interact with the tools, the more they will get out of 1) virtual office hours and 2) in-person convenings.

Link to register for Dec. 14 11am CST office
