| | | | | | | | | | | |
| | | | | | | | | | | |
| | | | | | | | | | | |

We will document the dates we use the lights for twilight events above. When the days are shorter we will need to turn them on more often to complete contests and practices.

- On 9/16 there was an issue during the game with the officials which delayed the end time. The exit lights were kept on until 8:12pm to clean up and get the teams off the field safely.

Morning Practices - starting before 7am on weekdays
