

CAAN

College Access & Action Network

CAAN is going Virtual

New Visions' College Access and Action Network is a collective of counselors and other school-based staff who support students' postsecondary preparation and transition. We meet regularly over the course of the academic year to build knowledge and community, and take action to support students' postsecondary aspirations.

Tuesday, March 9, 2021

1:00 - 2:30

- Learn how Educational Opportunity Programs at public and private colleges across New York State have responded to the COVID-19 crisis
