

*\*Knocking SFX, Door Open SFX\**

Y-ylawes! I—Hello. What brings you to my quarters so late at night?

Nightmares? Ah I see... Well are you... coming in?

Oh no you don't! You aren't a bother at all! I haven't been getting much sleep lately either. I'd much rather chat with a friend than wallow in my thoughts. I imagine you're quite the same. Take a seat. I'll get the door.

*\*Door Shut SFX\**

Sit where? Well, er, I have plenty of space on my bed. No, not the chair Ylawes. I want you to be comfortable. We're... friends after all. Now sit, sit!

Make yourself comfortable. Me? Well I'm just tidying up a bit. Don't mind me. Ylawes, no. Sit. I can handle a bit of cleaning. Just relax, I'll be done in a bit.

*\*Rustle Paper SFX\**

There. Now if you could just move a bit... no its fine, Ylawes. There's enough space.

See? Now what's on your mind? Bubububbubup. We're starting with you Ylawes. I know how you let things eat you up in silence. Just talk to me, alright?

Yvlon? You worry about her. About her team. You're afraid they might be dead?

I think...I think you need to take your mind off things. The last few weeks have been rather taxing on us all. Even so, we can't let our thoughts be dominated by such darkness. It's not healthy.

How can I be so calm? Well... I just have faith. It's hard to believe someone like Erin could ever stay dead for long, even harder to believe that the Horns could be...

...They're tougher than that. Have faith in your sister. They're stronger than us after all.

What do you mean, hardly?

Ylawes, with all due respect, in a fight between your sister and you? Well...

I—take that back. I admit Springwalker is talented, but I am at an entirely different level than—

And what is *that* supposed to mean exactly! Hmm? *Hmmmmm*?

I *see*. So *this* is how you treat a gracious host? No wonder you are eternally single. All the maidens chase you out of their homes!

M-me!? I am single by *choice*, I'll have you know. Running about all the time with you *ruffians* has been damaging for my elven glamour, but I assure you I am quite a pleasant sight when I try to be!

You're sorry? Ah, Ylawes I was just joking. Really its fine. You have nothing to apologize for. Besides, I know I'm not the most attractive half-elf around. Not having to pretend makes day to day life much easier.

No, really Ylawes it's fine. I'm fine. I—

What? What did you just say? I'm... beautiful?... Me?

Well that's... that's sweet of you, really. No, I believe you. It's just... those aren't words I expected to come from you.

Why? Well I just didn't think I'd catch your eye, really. It's not like I dress up. Not much of a need when it's me.

You... you don't mean that. Yes I know I just said I believe you and I do! But Ylawes you... you never say things like this to me.

Not once, yes. I would have remembered. Somehow I don't think I would have let myself forget.

Ylawes I—you're leaving? Wait! Don't go. Please. *Please*.

It's not like we're doing much of anything tomorrow. Just... stay the night? This once? I'd enjoy the company.

So you'll stay then?

Good. You can have your seat back.

Ah ah ah, that's my seat.

No, you can't sit on the chair.

Well if you want your seat back I suppose you'll have to take it.

What? Is the big strong knight frightened? I didn't know the great son of house Byres was a coward at heart?

Yes, yes I'm not afraid of you, Ylawes. Come on, I won't bite. Those arms of yours have to be good for something.

Ahn! Watch your hands! I'll [Firebolt] you! I will—oop!

\*Shuffling Noises\*

Oh! Well that was... an experience. I suppose you do know how to use your arms then.

Get up? Now why would I do that? I find chiseled chests make the best chairs for a midnight rendezvous. Especially in clothes as flowy as these.

I didn't know your face could turn that red! I must say I find it quite enjoyable.

Oh, don't look away! I'm just teasing you. Besides... you said I'm beautiful right? Surely you'd want another look? Or two.

That's better. Keep your eyes on me. There's nowhere else to look anyway. It's just me and you.

Mmmm. And where's that hand going, Ylawes? No, no. You can keep it right there. I quite like the extra warmth on my waist.

Ylawes, I'll fall if you let go of me. You are obligated to hold me tight. If you don't squeeze I'll—

Ahhhn! No! Just like that! Just. Like. That.

I'm fine, Ylawes. I liked that alot, more than you could understand.

What do I mean? Well... close your eyes for me. Just for a second.

Don't worry. I just want to show you what I mean. Stay still for me.

Your heart is beating quite fast. Just keep squeezing me like that. I'm not going to hurt you.

You know, I've always loved your hair. So luxurious. Like liquid gold.

Everything about your face is just perfect. Your skin, your eyes, your... lips. It's a shame, really. This is going to leave a bit of a stain I think.

*\*Kiss\**

You felt that, right? Surely I don't have to explain what that means to you.

Yes, you. I don't think I'd kiss anyone else.

I'm not going to say it outright, Ylawes. Just... we've come this far. I don't want to stop. Don't make me stop. Please.

I need this. I've wanted this. You don't know how long I've waited for something like this.

I—just work with me alright? I won't make you stay, but I'm not above begging. Not now.

Don't look at me like that. You don't know the half of the things I'd do for you.

Oh? Is that all it took?

If I knew you were this into me before, well... Let's see what you have waiting for me down there.

*Hmmm* what a long sword you have.

Oh hush. It's just the two of us. I'm allowed this much.

Now. What am I to do with such a dirty sword? If only I had a way to clean it.

My mouth. I'm going to use my mouth. What—be quiet Ylawes. Just be quiet and enjoy~

*\*Blowjob noises\**

\*Comes up for air\*

Hmm? No I don't mind. I like the feeling.

Your hands on my head, your fingers curled in my locks.

Don't be skittish, Ylawes. You've come this far.

Show me how a [Knight]—no—a [*Warrior*] handles his prize.

Yes I'm ok with it. Now use your hands or el—ULp

\*Rougher Blowjob noises\*

\*Comes up for air again. Is Still stroking the cock, jerking it off. Probably out of breath\*

You, ugh, you're close? No, I want it in my mouth.

I want it deep down my throat. I want to stare up at you with tears in my eyes, choking and swallowing and—

I'll be fine. I trust you.

Now shove it down my fucking throat.

(Choking, Swallowing, Cum drinking noises)

(Gasping for air) I... *treeerot*. It's so... disgusting. Putrid. Horrid.

I can still smell it on my breath. Dead gods, Ylawes. I feel so... hot.

Everythings warm. I... you have to give me *more*.

Yes I liked it! I know what I said. Besides, it looks like your sword's ready for another round.

You wouldn't mind indulging me a bit would you?

What? You want to... pleasure me? I—well I don't mind, but—mmph!

\*Surprise kiss\*

Oh. Ah. Uh I see. Well if that's what you want.

One moment. Let me slip out of these garments.

Don't turn around! I... I want you to see all of me.

Ready?

\*Ruslting Noises\*

How... how do I look?

Beautiful... right.

I said I believe you.

No I'm not lying. I—what are you doing.

No wait a moment, Ylawes. Ylawes!

No its not you... it's just a bit hairy down there. If I knew this was happening tonight I would have shaved.

No you will not! Just let me cast a spell. It will only take a second. Just—

(Sharp Breath) Y-ylawes! I said wait!

I... yes I liked it but you can't just go and kiss my legs, let alone my *feet*.

You don't know where they've been Ylawes! No I'm not letting you lick me. S-stop! Wait!

\*Wet kisses/Moans/Slurppin\*

Wait! Waaait! I just... let me get on the bed. I—

\*Shuffling/More Slurppin\*

Put me down you oaf! Gaaah, that's not f-fair. Down..dooown.

\*Shuffles\*

T-that's better. Get away from there will you. I'm not some... trough or buffet.

Delicious? You did not just say that. Really, what am I going to do with you.

\*Shuffling\*

Alright. I'm... ready. Come here, you.

Well where did you think this was going to go? Besides here I am, aaaalll wet.

Were you just going to leave me here? I suppose I could finish myself, but... surely that's not what you want, hmm?

...look. Just one night. Please.

Yeah?

Ok. Ok. You know how this goes right?

Well this is my first time... you too right?

Oh. Yes, no that... that makes sense. If your, uh, cock is that engorged then... I'm sure we've reached the threshold, yes?

\*Entering\*

Ah. Hah. Go slowly, alright?

\*Sex noises. Slowly ramping. Moans. Kissing somewehre in there\*

I'm close. I'm—you're getting bigger? Are you going to—Inside.

I said inside! Inside!

\*Final moans. Cum inside\*

Ah. Ahhhh. That. So that how it feels.

No. Wait. Stay. I like it. I like this.

I'll be fine. We're both exhausted. Just rest. I want to feel this for a while longer.

We don't have anything to do tomorrow anyway. I'm not going anywhere. I'm here for you, always.

I... you don't mean that. You don't. It's just one night and... really I've basically taken advantage of you. You confided in me and here I am dragging you into bed.

No I believe you. I do. I...

I

(Long Pause)

Ylawes? Look at me, yeah? Just like that.

(Pause)

I love you.
