Subject line: She wants me now but it's too late...

She wouldn't take no for an answer.

She just couldn't accept that the guy she never gave a chance, somehow didn't want her anymore.

I had spent years begging for a chance, showing my love every way that I could to win her over and nothing worked.

I just couldn't take it anymore.

I knew there had to be a better way.

I had to be doing something wrong because it wasn't just her that rejected me.

It was every woman.

When I finally learned what I needed to attract the sex I desired it was almost ridiculous how I hadn't seen it before.

It's so simple!
