2026-2027 Dual Enrollment Guide

Dear Parents,

While our new Dual Enrollment (DE) website and registration sites are temporarily unavailable, we are nonetheless providing you with the information needed to plan your students' DE enrollment. This guide includes approved courses, fees, deadlines, and links to our three new parent videos (we hope you like them!). You will also find a temporary registration form and direct Cairn application link so you can move forward with enrollment.

Earn high school and college credit

Through our partnership with Cairn University, eligible students may earn both VSA high school credit and college credit for approved VSA Live courses. Students must register for Dual Enrollment and complete the course with a grade of 70% or higher to earn Cairn credit.

Who may participate

Dual Enrollment is available to VSA juniors and seniors. Full-time Diploma sophomores may be approved on a case-by-case basis. Part-time students must substantiate their date of birth to establish junior or senior standing as homeschooled students. Credit cannot be awarded retroactively for courses completed in prior years. If your student needs dual enrollment approval for a 2026 summer class, or as a sophomore, please request it through your Academic Advisor or Family Consultant by December 1 for the 2026-2027 academic year.

Registration deadlines

Course term	Registration and payment deadline
Summer 2026	Deadline passed; requires approval
School Year (September through May)	Extended to December 1

Dual Enrollment fees

Credit option	Full-time Diploma	Part-time
Standard 3-credit course	$449	$549
Calculus I — 6 credits	$898	$1,098

Prices are subject to change during the academic year based on Cairn's per-credit pricing, though this is very unlikely. Physics Calculus-Based is 4 credits, however the Standard 3-credit course fee will apply.

Questions and planning help

Please email dualenrollment@veritaspress.com

Full-time Diploma families may also contact their Academic Advisor. Part-time families may contact their Family Consultant or our Service Team at 800-922-5082 or info@veritaspress.com.

Watch our new parent Dual Enrollment videos!

Our new three-part series walks families through the Veritas Dual Enrollment program, registration, and transferring credits to college. Please note that for the 2026-2027 Dual Enrollment season, we will use the temporary registration process as detailed below.

Part 1 Dual Enrollment at Veritas

An overview of Dual Enrollment and what parents need to know.

Watch Part 1 — Dual Enrollment at Veritas

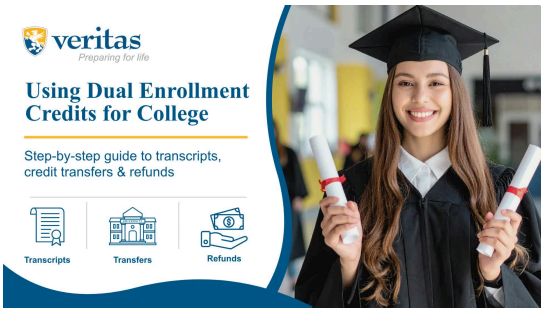

Part 2 Registering for Dual Enrollment

A step-by-step registration guide, including the Cairn application.

Watch Part 2 — Registering for Dual Enrollment

Part 3 Using Dual Enrollment Credits for College

A guide to transcripts, credit transfers, and refunds.

Watch Part 3 — Using Dual Enrollment Credits for College

Registering and receiving credit

Temporary registration process

1. Review the approved course list and confirm the student's eligibility. If a grade exception (sophomore student) or summer term exception is needed, ask your Academic Advisor or Family Consultant before completing the form.
2. Submit the 2026–2027 Dual Enrollment Request Form
3. If this is the student's first Dual Enrollment with Veritas, you must also submit the Cairn Dual Credit Application. **It is extremely important that you select Veritas Scholars Academy in Lancaster, PA as the school and Spring 2027 as the term.**

Contact your Academic Advisor or Family Consultant with questions about your request or payment.

Cairn enrollment and student account

VSA school-year courses run for a full academic year and are registered at Cairn as spring-semester courses. First-time DE students receive additional information from Cairn in January or February regarding their Cairn student account. This account allows you access to your student's unofficial grade report. **Please save the email with the Cairn student account credentials.**

Official college transcripts

Cairn University issues an official college transcript for DE coursework. VSA submits school-year course grades to Cairn in June. Please request transcripts after June 21 if they need to include the current year's DE grades.

Cairn transcript ordering portal

Plan for college transfer

Before registering, check with colleges of interest about both acceptance of Cairn credit and how each course would count toward the student's intended degree. Reaching out to prospective colleges can be very informative and help set expectations. For example, acceptance of dual enrollment credits as elective credit may differ from fulfillment of a specific degree requirement. Please Watch Part 3 — Using Dual Enrollment Credits for College for further information. Our DE team stands at the ready to help provide supporting documents, such as Cairn course syllabi.

Approved Dual Enrollment courses

Literature, Writing, and Languages

VSA course	Cairn course
Fairy Tales	LIT 339 Literature Seminar: Fairy Tales
Fiction Writing Workshop	ENG 332 Writing Short Stories

Psychology	PSY 101 General Psychology
Philosophy: From Socrates to Plantinga	PHI 301 Philosophy
Systematic Theology	THE 100 Introduction to Christian Theology
US Government	POL 101 US Government and Civics

Policies and additional information

College acceptance refunds

Full-time Diploma students may request a refund of DE course fees if the first college or university they attend does not accept Cairn DE credits in any way (major credit, general education credit, or general elective credit). The request must include a written statement from the receiving institution confirming that the credits will not be accepted in any way as a major credit, general education credit, or general elective credit.

Submit the request within the first eight weeks of attendance at the student's first post-secondary institution. Refunds are not issued more than 12 months after high school graduation, except when the student takes a gap year following graduation from VSA. Send documentation to dualenrollment@veritaspress.com.

Part-time students are not eligible for refunds under this policy.

Course completion and records

DE courses do not receive extensions. Courses not completed on time will not be submitted to Cairn for DE credit, and all DE fees will be forfeited. VSA maintains two years of records; questions about DE courses after that period should be directed to Cairn.

Tax forms and address changes

Cairn issues a 1098-T in the year DE payment is completed to Cairn. For September–May courses, VSA makes payment to Cairn in January of the following year. Because DE fees are shared between Veritas and Cairn, the form reflects Cairn's costs only.

The form is mailed to the household under the student's name. Please notify both VSA and Cairn promptly of address changes so the form reaches the correct address.
