

Kuddle kare is proud and thankful to have been in business for 10+ years, providing the best care and love to families in the Will County area. Kuddle Kare supplies everything you are looking for in a Daycare because we prioritize what is most important, the safety and well being of your child(children).

Kuddle kare wants your child(children) to know and feel they are in a safe space where they are able to be themselves, an environment that is free to make mistakes, to have fun, be silly and most importantly learn. To ensure your child(children) is able to do so, we have staff with outstanding experience in child care, we have multiple learning activities, games, outdoor activities, arts and crafts and Field trips, that are great for children of all ages. Kuddle kare also prioritizes your child's safety and well being by making sure our staff is well experienced and versed in what it takes to provide top of the line care to your child (children). To ensure this all classes and licenses are always looked over and kept up to date.

Kuddle kare hopes this finds you well and answers any questions you may have.
