你 好, **Hola, Hello**

Janet Jenq

Janet was born to Taiwanese parents and raised in a bilingual household in Southern California. She studied Operations Research and Financial Engineering at Princeton University and got her Master's in Computer Science at the University of Chicago. She currently works in eBay's AI organization and loves applying research and science to help eBay's buyers and sellers. She is passionate about food - eating it, cooking it, hearing people talk about it - and she spends most of her free time planning meals with her family.
