CONTENTS

INVITATION
Special Instructions

EXECUTIVE SUMMARY
Executive Summary

INTRODUCTION
Introduction to Torch Lake

1- TORCH LAKE AND SURROUNDING WATERSHED
(Background information about the study site)
Torch Lake
Torch Lake Watershed
Elk River Chain of Lakes Watershed

2- TORCH LAKE ALGAL/GBA PROLIFERATION
(Research and Literature)
Recent Studies- Torch Lake Algal/GBA Research
Hypotheses and Literature Review- Torch Lake Algal/GBA Proliferation
Research Recommendations- Torch Lake Algal/GBA Research

3- USGS RESEARCH PROJECT 2022-2024
Project Summary - USGS
Project Sampling Plan
Project Sampling Sites
Modeling Torch Lake
Project Partners
USGS Memorandum of Understanding

4- ADAPTIVE MANAGEMENT for TORCH LAKE

Groundwork for the Future of Torch Lake
(History of lake group collaboration + description of adaptive management)
Current Management VS Adaptive Management
(visual organizer)
Torch Lake Adaptive Management Process
(visual organizer)
Adaptive Management for Torch Lake

5- TORCH LAKE LONG-TERM MONITORING & RESEARCH PROGRAM (What do we currently know about our lake?)

Torch Lake Long-term Monitoring and Research Program:Overview
Timeline of Important Local, State and National Events
Torch Lake Long-term Monitoring, Research and Modeling: Highlights
Torch Lake Long-term Monitoring and Research: Gap Analysis
Torch Lake Long-term Monitoring and Research Program: Framework
