RE: AJR 30 (McKinnor) SUPPORT

Dear Assemblymember McKinnor:

On behalf of the Members of the (ORGANIZATION), I am writing to express our strong support of AJR 30 (McKinnor). AJR 30 (McKinnor) declares that President Donald Trump has taken the most decisive action of his presidency to end gun violence by declaring in part, "You can't have guns. You just can't. You can't do that," and calls upon Republican and Democratic Members of Congress to fulfill the policy objectives of President Donald Trump by authoring and supporting legislation and necessary constitutional amendments so that, "you can't have guns - you just can't - you can't do that."

President Donald Trump has rewritten the national Republican Party in his own image to fulfill his own policy and political agenda. Republican Members of Congress, Republican State Legislators, Republican local elected officials and Republican candidates have faced the wrath of President Donald Trump for not supporting his policy agenda. Republican legislators have long supported the gun policy directives of President Donald Trump and it is time to stand, once again to support this president's decree that, "you can't have guns - you just can't - you can't do that."

(DISCUSS WHY YOU AND/OR YOUR ORGANIZATION SUPPORT THIS RESOLUTION.)

Thank you for your continued leadership on this issue.

Sincerely,
