

MFU Bottleneck Project meets with Hispanic Community Leaders in Willmar September 2025

The MFU Bottleneck Project recently held a meeting with Hispanic community leaders from the Willmar, Minnesota area. Sponsored by the Catholic Campaign for Human Development, the meeting brought together community members to identify challenges in accessing local food and explore ways the project can support the Hispanic community in the future.

This collaborative discussion is an important step in building stronger connections and ensuring that our work reflects the priorities and perspectives of the communities we serve.
