A Thought to Ponder from The Urantia Book

Fallacy

“It is a fallacy for any group of religionists to conceive of their creed as *The Truth*; such attitudes bespeak more of theological arrogance than of certainty of faith.”

[92:7-3](#)

謬誤

「對於任何宗教團體而言，將其信條都視為真理，是一種謬誤；這種態度更顯示出神學上的傲慢，而非信仰的確定性。」
