- **Please provide a clear reference.** (I'm unable to design a new character based in description) Unless it is a very simple character (such as "white wolf with yellow eyes and no tail")
- I allow clothing reference! just pick an outfit and I can draw your character in it! However, I can not work with a description such as "steam punk suit", even if you have gallery of 'inspiration' images. I have worst drip in the world when it comes to clothing and I can't guarantee that I will be able to design an outfit that fits what you're looking for :(
- Image with heavy shading or with **watermark obscuring the design** may lessen my ability to draw your character accurately!

[PAYMENT]

- Real currency is preferred over crypto currency
- Paypal is the preferred payment method, but I do have Wise as well!
- Please be ready to pay within 24-48 hours.

On refund;

1. ONLY when the art has **not** been started, will a full refund be given, but minus the fee
2. No refund will be given once the art is completed.
3. If the art is canceled due to my own inability to finish it, a full refund will be given, no matter what state the art is in.

[COPYRIGHT]

All commissions are NON-COMMERCIAL only! This means redistribution of the art you commissioned from me for commercial use, such as printed product, merchandise, promotions of your goods/service or to promote your social media pages is prohibited. If you plan to use it in commercial use, ASK me before commissioning me! an extra +40% will be added to the total price.

Other personal use (ie. Profile pic, printed on mug/shirt/hat for personal use) is fine! Go ahead, I'd love to see it too!

Any art commissioned from me are NOT allowed to be put for sell or resell for Non-fungible Token (NFT) nor be used to train any generative AI model

Repost is allowed! As long as credit is given!
DO NOT claim the art as your own.

[WORK PROCESS]

I usually do my art in one sitting, if you require a sketch, please ask me BEFORE commissioning!

Commission will usually be finished within a few days or up to 2 week, depending on the queues.

Feel free to point out any edits if you need! But please state them all at the same time!

I may make slight color adjustment, please tell me if you do not want this!

[WILL / WON'T DRAW]

Firstly, it's better if you look through my gallery to see my art style. I draw quite semi-realistic, so if the character is overly simplified (ie. Pokemon, chibi) it tends to look a bit weird.

WILL DRAW;

-Gore; blood, guts, bring it on!

-NSFW; mild and full NSFW are all welcome. I also don't judge fetish and other sexual explorations as in kinks (you can send DM privately if you want!)

-Monsters and original species

WON'T DRAW;

(I have the right to decline or cancel a commission if I'm uncomfortable)

- NSFW of underage character (if they look like a child, then I will not draw a NSFW of them)
- Pedophilic content. This means a pedophilic couple or a romantic couple including a minor and adult, even in a non-sexual activity.

- Robot or mecha. However, cyborg parts, such as the hand or leg, are fine!

- bugs/insect is ok but not cockroaches or millipede/centipede (I have entomophobia ;w;)

- Hateful content toward minorities; this means transphobic, homophobic, and racism content are a no-no!

- feral NSFW **Please respect my boundary as this is something I'm personally very uncomfortable with** (I will draw genitals onto a feral if you request, but only for anatomical realism, such as testicles on a stallion or bull in case it's important to make it clear that they are unneutered (may it be for ARPG purpose or otherwise), udder on cow, sheath on canine, etc.) but will not draw an erected penis or something sexual, as well as request such as anything specifically 'realistic' about the genital area.) This includes MLP characters, pokemon, Warrior cats, and such types of characters. I'm as well uncomfortable with drawing feral characters in a suggestive pose with sexualized proportions and suggestive pose/expression, even if no genital is visible. Feral x feral is not ok for me too. **I apologize for this inconvenience!**
