Dear Cyclone Families,

This letter provides important information regarding the 2023-2024 course enrollment process at Ottawa High School. Enrollment at OHS will take place from February 3rd- 17th. Your student will be bringing home an enrollment form with their core class and elective class selections. The resources and information below will help guide decisions about your student's course selections and help them to reach the next stage of their academic progress.

- Enrollment Presentation Presented to students in Advisory on 2/3. Outlines the entire enrollment process for students and parents
- Student Enrollment checklist
- Course Guide: Provides information and description for all courses offered at OHS
- Course Offerings: To be used to find course offerings specific to their grade level
- Skyward Course Selection Video: Demonstrates how students can put their course selections into Skyward

To complete enrollment and ensure their course selections are selected, students will need to fill out the enrollment form and turn it into their Advisory teacher before February 17th. They will also need to ensure that their selections are in Skyward.

OHS counselors will be available throughout the next month to answer any students or parents questions regarding this process. You can also check out our enrollment tab on the counseling website. This will be a hub for all 2023-2024 enrollment information.

For questions, please contact any of the OHS counselors.

Sincerely,

The OHS Counseling Department
