Announcement:

International Webinar on Cycling for Social Inclusion & Greener Environment:

FairPlay 4 Inclusion: "One Less Car"

"Inclusion elevates all" (Elaine Hall)

When & Where: Thursday, 21/April at 17:30 CET

Guest Speaker: Ms. Rea Fraser, youth mentor, cycling enthusiast and leader for the Spanish Cycling Federation project "Women In Bike." She manages both local community projects and international collaborations to connect with youth through sport and advocate for a cycling lifestyle. Rea will introduce us to three projects that empower inclusion by using the bicycle as a metaphor for freedom of movement.

Objectives of the session:

- Present three projects using bikes for social inclusion.
- Detail three distinct examples of projects using the bike as a symbol of freedom of movement and creating life long cyclists.
- Discuss the importance of youth and street sports in how we see public spaces.

- Empower youth to see themselves as agents of change in public spaces.

System and Generation Association would like to invite you to the twelfth International Webinar on Cycling for Social Inclusion & Greener Environment that will take place virtually on Thursday, 21/April 2022, at 17:30 CET, within the "FairPlay 4 Inclusion" Project, with the joint participation of youth from:

- "ASOCIACIÓN ENTREJUEGOS" from Spain 
- "Associação Inspira! – Intervenção juvenil e Ambiental" from Portugal 
- "Centre for Capacity Building & Empowerment" from Sweden 
- "System & Generation Association" from Turkey 

Don't miss the chance, We are waiting for you!
