The day you get is corresponds with the first letter of your name:

U - Z Friday

(Use your school timetable as help)

Include the following in your text:

How you get to school.

Subjects that day (when they start, what you are currently doing in these subjects).

What subjects do you find easy/difficult?

What you do during the breaks.

Rules at school you agree/disagree with. Why?

Your favourite meals at lunch.

How your school differs from American or British schools and are there certain things from these schools that you would like to introduce at your school? Why?

Are there any things from your school you would like to introduce to an American or British school? Why?

Conclude with a few lines about the covid pandemic and how it affects your school day. Include positive and negative thoughts regarding studying from home.
