Saeko's Villa – Front

Yui, Mai, Goro, Himiko, and Guriguri, are waiting outside Saeko's Villa. Yui says she sensed Ken and the others would be returning, but Goro is skeptical. Moments later, Ken, Daichi, Rabi, Gus, Wataru, and Shibaraku all appear. They head inside before beginning to catch up, explain why Benet isn't with them, and introduce them to the Zegapain cast.

Saeko's Villa

After having the situation explained off screen, Ryuzo thanks Shima for taking care of Ken and the others, to which Shima says they helped them out plenty in return. Ryuzo also mentions that the Drago Empire hasn't done anything since their disappearance and the Sealing Rock hasn't reappeared. Gus wonders why that is and Ryuzo guesses it's because they're being cautious of the Gate. Saeko adds that, while Ken and the others know it's only a passageway between worlds, to the Drago Empire, it's a portal that spits out enemies.

Shima asks about any other Gates they may know about besides the one in Kamuikotan. Saeko mentions she's heard of one Gate appearing in Uluru in Australia, and another oversea near the Azores Islands. Kyo asks if anything came out of them, but Saeko says she wasn't able to figure that much out, but it's possible government agencies may know more. Shima says it's a big help just knowing the Gate's locations and thanks her.

Minato mentions cooperating with this world's government and military would make things easier. Saeko explains that, while they don't view Liger and the others as enemies since they were seen fighting the Drago Empire, they're still cautious of them and won't cooperate with an entity they're unsure about. They'd also likely try to use the Divine Doers for their own purposes.

Shima says they'll have to be careful about how they interact with this world in the future. V-Mei says that if the Oceanus can go anywhere, they could use it to return to the moon. Daichi mentions that since Laura's Road is closed off, they couldn't use it to go to Rabiluna now anyways. V-Mei says he's right, but since there's a strong connection between this world's moon and Rabiluna, she says they'll have to go back to that moon at some point regardless.

Wataru suddenly mentions wanted to go to Ryujin Pond. He says that the dragon there guided him to Monja Village, so he thinks it can act as a Gate between this world and Mt. Sokai and use it to go back there. V-Mei says her and Daichi should go with him, since she thinks they might find a way to go back to Rabiluna there. Gus and Rabi want to go as well, but V-Mei says they should stay behind incase the Drago Empire try anything. Ryuzo mentions that since Liger and the others have returned, the odds of that happening may have gone up. Shima says they'll remain vigilant while in this world, especially around the Gates.

Saeko says she'll prepare a private helicopter to transport Wataru and the others to Ryujin Pond, and Kurama thinks to himself that he should hurry and let Doakdar know what's going on.

ドラゴ帝国祭壇

Drago Empire – Altar

Zara, Ryu Dolk, and her other goons are all gathered around as Zara prays to Lord Drago, but hears no reply from him, much to her dismay. Dol Phantom says he'd like to go and collect information on the Gates, since the beings that came out of them are obviously hostile. Ryu Dolk reminds him that Lord Drago instructed them to not interact with the Transfer Gate in any way, and to instead save their strength until Liger returns. Dol Phantom then reveals that Liger has in fact returned.

Dol Army wants to get revenge, but Zara orders Dol Navy to attack him instead. Dol Satan thinks to herself that it's surprising she didn't order Ryu Dolk to attack him, considering their previous battles. Ryu Dolk thinks to himself that Zara must know Liger likely has the enemies

from the other side of the Transfer Gate with him, and expects to be given an opportunity to fight Liger after their strength has been assessed.

龍神池

Ryujin Pond

Wataru and the others arrive at Ryujin Pond. V-Mei and Daichi are able to sense some kind of magical energy from it, but can tell it isn't Mado Power. Wataru begins to hear Ryujinmaru's voice, and he explains that an evil force is blocking the path to Mt. Sokai from the pond. Ryujinmaru says there's nothing he can do about it right now. V-Mei says it's just like what happened with Laura's Road and Wataru assumes it's Doakdar's doing.

However, Wataru is undeterred, and says he's resolved to simply find another way back to Mt. Sokai. Then Himiko receives a call from Saeko, saying that enemies have appeared at Funkawan in Hokkaido. She says that the SDF is doing what they can to hold them off, but it's only a matter of time before they reach the city. Wataru and the others say that they're on their way.

Episode 15

Dark Conspiracy!? Empress Zara's Plot!

(Scene starts on a map screen of a city. Dol Navy and Drago Empire mooks are on the map.)

ドル・ネイビー

「やれ、魔竜戦士よ!

人間共の苦しみを、痛みを

ドラゴ神に捧げるのだ!」

Dol Navy: Go forth, Drago Knights! Offer up the human's pain and suffering to our god, Lord Drago!

(The Oceanus appears.)

ドル・ネイビー

「むっ、どこから現れおった!?

あれほどの大きさを見逃すはずがないのに!」

Dol Navy: Wha--, where did that come from!? There's no way I could have overlooked something that large!

レムレス

「ドラゴ帝国の空中要塞を確認。

もう一隻は自衛隊と交戦に入った模様です」

Lemures: We have visual on the Drago Empire's flying fortress. Another ship appears to be engaging the Self-Defense Force elsewhere as well.

シズノ

「冴子さんの情報通りなら、

現地の自衛隊だと歯が立たないのでは...」

Shizuno: If Miss Saeko's information was accurate, the SDF likely won't be able to handle them...

シマ

「だが、時間を稼いでくれるだけでも助かる。

各機、出撃を」

Shima: But they will at least buy us some time. All units, launch.

剣

「ドラゴ帝国の奴らめ、

街を滅茶苦茶にしやがって...許せねえ!」

Ken: Those Drago Empire bastards tore up the city...! I won't forgive them!

剣

「来おい!!ライガアアアアアツ!!」

Ken: COME TO ME!! LIGEEEEER!!

(Ken, Rabi, Gus, Kyo, and the player's team appears.)

ドル・ネイビー

「姿を現したな、ライガー!」

Dol Navy: So you've finally shown yourself, Liger!

ドル・ネイビー

「あれは、人間共の新しい兵器か?

まとめて叩いてくれる!」

Dol Navy: Are those new human weapons with him? I'll destroy all of them at once!

キョウ

「なるほどな。

剣から聞いてた通り、酷い奴らだぜ」

Kyo: Ken was right. These guys really are as bad as he said.

カミナギ

「向こうはまだゼーガペインのことを知らない。

このアドバンテージをうまく活かしていこう、

キョウちゃん!」

Kaminagi: But they don't know about Zegapains. Let's use that to our advantage, Kyo!

キョウ

「ああ!」

Kyo: Right!

剣

「ドラゴ帝国め、覚悟しやがれ!行くぞ!!」

Ken: Hope you're ready, Drago Empire! Here we go!!

(Battle 1 begins.)

(Battle 1 ends when 5 enemies are defeated.)

ラビ

「どうだ、化け物共!」

Rabi: How'd you like that, monsters!?

ドル・ネイビー

「くっ、奴らがここまでとは...!」

Dol Navy: Ngh, if things keep going like this...!

リチェルカ

「ドラゴ帝国の艦、現戦域内へ侵入します!」

Ricerca: Another Drago Empire ship is entering the battlefield!

(Dol Army appears, along with more Drago Knights.)

ドル・アーミー

「苦戦しているようだな、ドル・ネイビー」

Dol Army: Looks like you're having some trouble, Dol Navy.

ドル・ネイビー

「ドル・アーミー...!

貴様の戦場はここではないはず!

どういうつもりだ!?!」

Dol Navy: Dol Army...! This isn't your battlefield! What are you doing here!?

ドル・アーミー

「人間共の相手など、部下の魔竜戦士だけで充分。

貴様が苦戦していると知り、援軍に来てやったのだ」

Dol Army: The Drago Knights under my command can handle the humans on their own. Once I saw you were struggling so much, I decided to come as reinforcements.

ドル・ネイビー

「くっ、いらぬ真似を...!」

Dol Navy: Grr, I didn't need your help...!

ドル・アーミー

(ククク...

ドル・ネイビーなぞに手柄を立てさせてなるものか。

ライガーを倒すのは、この俺だ!)

Dol Army: (Keh heh heh... Dol Navy won't get to take credit for defeating Liger. That honor will go to me!)

(Scene ends.)

(Scene picks up where it left off. The Drago Empire fires on the city indiscriminately.)

カミナギ

「キョウちゃん、このままじゃ

街への被害が広がっちゃう!」

Kaminagi: Kyo, if this keeps up, the damage to the city's going to spread!

キョウ

「そいつはわかっちゃいるが...!」

Kyo: Yeah, I know, but...!

ガス

「相手を止めるのも一苦勞です!」

Gus: It's hard to keep the enemy from doing that!

剣

「よし、俺が囷になって

あいつらを引き付けてやる!」

Ken: Alright, I'll run decoy and lure them away!

ラビ

「馬鹿言ってるじゃねえよ!

ドラゴ帝国は、お前とライガーを狙ってるんだ!

それこそ相手の思う壺じゃねえか!」

Rabi: Don't be stupid! The Drago Empire is after you and Liger, you'd be playing right into their hands!

剣

「うっ...!」

Ken: Ugh...!

ドル・アーミー

「グフフフ...どうした、ライガーよ?

随分と動きが鈍ってるようだな?」

Dol Army: Gwahaha! What's wrong, Liger? Aren't you moving a little slower than usual?

ドル・ネイビー

「今が好機だ!

ライガーもろとも奴らを仕留めるのだ!」

Dol Navy: This is our chance! Bring down Liger, along with the rest of them!

???

「そんなことさせるもんか!」

???: Not on my watch!

ドル・ネイビー

「む...!？」

Dol Navy: Huh...!?

ワタル

「龍神丸うううっ!!」

Wataru: RYUJINMARUUU!!

大地

「マジカル・シューーート!!」

Daichi: MAGICAL SHOOOT!!

(Wataru and Daichi appear on the map in their mechs.)

大地

「みんな、遅れてごめん!」

Daichi: Sorry we're late, guys!

ガス

「大地君!ワタル君!」

Gus: Daichi! Wataru!

ドル・ネイビー

「奴らも現れたか...!」

Dol Navy: More of them...!

ドル・アーミー

「今さらライガーの仲間が増えたところで!

まとめて片付けてやるわ!」

Dol Army: So now Liger has even more allies! I'll just wipe them all out together!

剣

「そうはいくか!」

Ken: I don't think so!

ワタル

「遅れた分、頑張っちゃうからね!」

Wataru: Now we'll make up for being late!

(Battle 2 begins.)

(Battle 2 ends when most enemies besides the Dols are defeated.)

ドル・アーミー

「奴らめ、もう状況に対応し始めている!

以前よりも戦い慣れているのか!?!」

Dol Army: They've already started to adapt to our tactics! Are they somehow better at fighting than they were before!?

ドル・アーミー

「だが、ライガーだけでも!」

Dol Army: But so long as I can just get Liger--!

ザーラ

「お前達、兵を退け」

Zara: Both of you, withdraw your troops.

ドル・ネイビー

「な、何ですと!?!」

Dol Navy: B-But why!?!

ドル・アーミー

「し、しかし、ザーラ様...!」

Dol Army: W-Wait, Empress Zara...!

ザーラ

「転移門より現れし者達の力、見定めは済んだ。

今すぐ戻るのだ」

Zara: We have gauged the power of the beings that emerged from the Transfer Gate. Return immediately.

ドル・アーミー

「ザーラ様の思し召しとあらば...!」

Dol Army: If that is your wish, my lady...!

(All enemies retreat.)

ラビ

「あいつら、尻尾巻いて逃げ出しやがったぜ」

Rabi: They just ran off with their tails between their legs.

剣

「だから、何だってんだ？

ざまあ見ろって感じだぜ」

Ken: Then what was the point of even showing up? They just made themselves look bad.

ラビ

「あれだけ大口を叩いてたんだぞ。

逃げてく時も動きが不自然だったし」

Rabi: They had such big mouths too. It kind of looked like they didn't want to run away.

剣

「そうか？」

Ken: Did it?

ルーシェン

「あの退き際は…」

Lu-Shen: Considering they left how they did...

ミナト

「シマ司令、ドラゴ帝国の目的は

我々の戦力を測ることだったのでは？」

Minato: Commander Shima, could Drago Empire's goal have been to assess our fighting strength?

シマ

「検討は後だ。

各員を回収次第、ペルシダーモードを起動。

現地の自衛隊が来る前に離脱する」

Shima: We can discuss this later. Once all units have been retrieved, we'll activate Pellucidar Mode and leave the area before the SDF arrive.

ドアクダーの間

Doakdar's Chamber

アグラマント

「ドアクダーよ、魔動戦士と救世主が帰還するとは

少々厄介なことになったようだな」

Agramant: Things may become more complicated now that the Mado Warriors and the Savior have returned, Doakdar.

ドアクター

「すでに手は打っておる。

奴らが来られぬよう結界を張った」

Doakdar: I've already taken measures against them. I've had a barrier erected to prevent them from coming here.

アグラマント

「フッ、対応が早いな」

Agramant: Hmph, that was quick.

ドアクター

「それは、そちらとて同じではないのか？

もつとも、その必要があるかどうかは疑わしいが」

Doakdar: Don't you have something in the works as well? Of course, I doubt it's necessary at this point.

アグラマント

(こやつ、ワシの策を見抜いているのか...?)

Agramant: (He already knows what I have planned...?)

ドアクター

「フフフ...このドアクターも手を貸そう。

その方が事が早く運ぶだろう」

Doakdar: Heh heh heh... Still, I'll offer you a hand. That should help move things along.

アグラマント

「...良かろう」

Agramant: ...Very well.

ドラゴ帝国祭壇

Drago Empire – Altar

Dol Phantom and Dol Army are grumbling at not being able to defeat Liger, saying it's their new allies' fault. Zara explains that they likely used technology from a parallel world. From Ryu Dolk's calm reaction, Dol Satan realizes that he knew things would turn out this way and that was why he didn't ask to fight Liger himself yet.

Before they discuss further about what to do with them, Shaman contacts Dol Satan telepathically through the subordinates she has hidden within the human population. He introduces himself as one of the 3 Jado Warriors of the Jado Empire. He says that his master, Lord Agramant, and Lord Doakdar, ruler of Mt. Sokai, want to speak with their leader. Dol Army and Dol Navy are insulted by his disrespect, but Zara decides to speak with them regardless.

冴子の別荘

Saeko's Villa

The World 6 gang talks about how Ryujin Pond was a bust, and that Daichi and Wataru had Kurama fly them to the battle, which is why Shibaraku didn't show up with them. Kurama complains that they're working him too hard and everyone thanks him. Shibaraku is still upset for not making it on time, but they joke Kurama wouldn't have been able to carry a hippo like him.

Wataru says he'll have to find some other way to reach Mt. Sokai, to which V-Mei suggests traveling with the Divine Doers, as investigating the Gates may help them find ways to travel to other worlds. Shima says there's a chance that may be possible and Kurama supports them leaving the world and going with the Divine Doers.

Rabi is skeptical about Kurama wanting them to leave, but he brushes it off by saying he wants to get back to Mt. Sokai too and will take any chance he can get it. He also reminds Rabi he's already been helping them, and it'd be bad for everyone if disasters kept occurring in parallel worlds.

Ken then decides that he'll stay behind and take on the Drago Empire while Wataru and the others go with the Divine Doers. He says he's already made up his mind and can handle them on his own. Wataru thanks him and V-Mei, Himiko, Guriguri, and Kurama all say they'll go with them as well. Shima asks Saeko to keep gathering information on the Gates in this world and she agrees.

Saeko then thinks to herself "(We can't leave all the fighting up to kids like Ken and the others... I need to do my best to get that story out there as soon as possible.)"
