Reason For Not Attending:

New Scratch/ Assessment Policy: All Competition Assessments are required to be paid in full on their due dates, even if you scratch a meet ahead of time. If you scratch a meet and SSGA doesn't enter the gymnast because you let us know beforehand OR we can get a refund (per our Scratch policies that are in our handbook), refund checks will be written at the end of June/early July for any competition entry fee owed, providing the student completes the expected enrollment period (Sept-June) and tuition and assessments are paid in full for that period. If a gymnast leaves the team before the end of the expected commitment date, no scratch monies will be refunded and will become the property of SSGA. Competition Entry fees will be the only fees available for refund; we cannot refund portions of team or coaches fees in any instance. Thanks for understanding.
