

{School Principal: Please adapt this letter to provide an attestation of your support for your math teacher to participate in the MIAA program and your support of their access to work with school data and case study students. **Cut and paste this template onto your school's letterhead.}**

Date:

Dear MIAA Program Administrator,

I [Principal's Name] provide my support for [Teacher's Name] application to USC Rossier, School of Education's Mathematics Instructional Added Authorization (MIAA). I can attest that [Teacher's Name] possesses the appropriate professional experiences and personal characteristics necessary for the MIAA program.

[Teacher's Name] and I have met to discuss the demands of the program. After our discussion, I agree to [his/her/their] participation in MIAA coursework and fieldwork experiences, including working with case study students. Further, I agree to collaborate with [Teacher's Name] to ensure that [he/she/they] has/have opportunities to access school and student level data and work in the classroom with diverse students across the required grade spans (PreK-8, pre-algebra).

If you require any additional information or have any questions, please don't hesitate to contact me.

Sincerely,

[Principal's Name]
