## 11:00 AM students arrive at school

**Students are not allowed to leave American Canyon HS's campus for any reason during breaks. Please have a conversation with your student about this.** Lunch and snack will be provided by Band Boosters. Band members arrive at school wearing shorts or sweatpants and their band t-shirts. They will also need a pair of compression shorts to wear under the uniform. Students with long hair will have their hair up ready for competition (hair pulled up on the top of their head and hair does not touch the uniform collar). Please, no makeup or no jewelry and young men - SHAVE!

When you arrive at school, find your instrument and report to the bus loading area. Double check that you have your **marching shoes and long black socks.** Students are responsible for hanging your marching uniform in the garment bag on the trailer. Take every step to keep your uniform from getting wrinkles. Your change of clothes and all other items must be kept in a separate bag. Guard members will follow specific instructions to prepare for performance.

Students are also responsible for loading and unloading your instrument. Flutes and clarinets will travel with you on the bus, large instruments will be stored underneath the bus you are traveling on. Everyone helps with loading and unloading equipment - many hands make light work!
