

### Mission Statement

St. Paul Lutheran School exists to educate and support the whole child through an excellent Christ-centered education, nurture our school families with God's Word, guide them in applying their faith to their lives, and encourage them to joyfully share the good news of salvation with the world. Proverbs 22:6 - "Start children off on the way they should go, and even when they are old they will not turn from it."

### From the Principal

Over Spring Break, we were thrilled to receive some incredibly exciting news: we have been informed that we will attain full occupancy of our eagerly anticipated new addition on March 21. This development marks a significant milestone in our journey, and we couldn't be more grateful. It's a momentous occasion made possible by the extraordinary generosity of our members, whose contributions and efforts have been nothing short of remarkable. We extend our deepest thanks to all of them for their unwavering support and dedication.

As we anticipate the official dedication on April 14, we are filled with excitement and anticipation for the opportunities it will afford us. It represents more than bricks and mortar; it is a beacon of hope, a place where the Good News will be shared, and lives will be transformed. We eagerly look forward to welcoming children and families into this space, where they will find warmth, love, and a sense of belonging for years. Truly, this is a moment for celebration and reflection on the countless blessings that have been bestowed upon us.

### **Moving Help Needed**

We are planning to complete the classroom moves on Friday, March 22, from 4:00 to 6:00 PM. If you can help, please call 920-435-8468 or email [stephen.miller@stpaulgreenbay.com](mailto:stephen.miller@stpaulgreenbay.com).

### **Save the Date**

Grandparents Day is Friday, April 26! Additional details will come out in future editions of the Eagle, but we want to make sure you have this date reserved on your calendar. We are looking forward to an exciting day.

### School News

#### **Athletics**

Track information went home Monday. The permission slip and fees are due back tomorrow if your child is planning on participating. (Visit our Fox Valley WELS Athletic League website [fvwal.org](http://fvwal.org) to learn more.)

#### **Technology**

We are working on preparing the new building for the move.

#### **Junior Choir**

We sing this Sunday in BOTH services for Palm Sunday (24th). Please meet in Mrs. Bakeberg's room at 7:40 for a warmup. We will be processing in both services and singing an anthem in both services. Choir members may leave quietly from the balcony after the anthem in the late service.

### **Extended Learning**

Third-quarter extended learning reports will be included in the report card envelopes. The best advice we can give at this point is to make sure your students are getting sleep! We see such a difference when a kiddo has gotten a good night's sleep or has been up for hours on a screen. Put the screens away, get out of the bedroom, and nail down that bedtime routine. Here is a [link](#) from the Mayo Clinic of the required hours of sleep per age and a description of what quality sleep entails. Success in learning happens only after they have gotten the sleep they need.

### **Spring Musical: Annie Jr**

Full rehearsals are underway! You do not need a student in the production to be a part of it. We could use help collecting props and staging. Here is a [list](#) of items we need. This is a comprehensive list for all the needs so you can focus on the green, white, and yellow items for things that will be needed. A key is at the bottom of the list to interpret what the colors mean. Contact Mrs. Plitzuweit with any questions. Thank you for your support!

### Classroom News

#### **7 & 8-Mr. Brennan**

Report cards will be coming out next week. Please check them over and reach out with any concerns or questions you have.

#### **6-Mr. Jammer**

We will be having a guest art instructor after Easter break. Can you guess WHO? Looking ahead, grades 3K-8 sing Easter Sunday. Have a Blessed and Happy Easter!

#### **5-Mr. Wellhoefer**

Fifth grade has started off great as we begin the 4th quarter. As we jump into spring, and have busy schedules, a reminder that everyone gets a good night's rest to help them be successful learners. Before spring break there were a lot of runny noses and we went through a lot of tissues. We are on our last two boxes, if you are able to donate a few boxes please let me know.

#### **4-Mrs. Hepner**

We are wrapping up our Science kit on Energy this week. After Easter we will have some new "pets" in our room! Final book report project information was sent home earlier this week. I'm hoping books will be chosen by the 5th of April. We also started a new reading novel which will bring some good discussion to our room. Watch for report cards next week!

### Mission Statement

St. Paul Lutheran School exists to educate and support the whole child through an excellent Christ-centered education, nurture our school families with God's Word, guide them in applying their faith to their lives, and encourage them to joyfully share the good news of salvation with the world. Proverbs 22:6 - "Start children off on the way they should go, and even when they are old they will not turn from it."

### 3-Ms. Broring

The start of a new quarter brought about a few exciting new things in third grade! We were extremely excited for our first lesson on recorders yesterday. In writing, we're already hard at work on the fictional narratives we'll be working on all quarter. In science, we're starting to study "Structures of Life" and are observing seed growth right now. We're looking forward to our crayfish joining us in the classroom mid-April.

### 2-Mrs. Bakeberg

This week we have been writing about loggerhead sea turtles, getting to know our mealworms, spelling compound words, using different strategies for subtraction, and learning about Israel's first kings. So many things to learn! Remember next week is only a 3-day week, with an early release on Tuesday. Hope to see you on Easter Sunday!

### 1-Ms. Koenig

First grade has been taking a journey through the rainforest in writing class. We learned many facts about sloths and jaguars and wrote an informative paper about these animals. In math class, the first graders are learning how to subtract using different strategies. Report cards will be sent home on 3/26. Please sign and return the envelope. 3K-8th grade sing on Easter Sunday!

### K-Mrs. Jammer

We launched balloon rockets in science, which is always exciting. Our social studies topic is "All About Work" and includes a discussion of needs and wants. In music we explore tempos of fast/slow. Report cards come home on 3/26. Keep the papers inside, but sign and return the envelope. 3K-8 sings on Easter at the service you chose. We are excited to make the move to the new classroom when approval is given - hopefully next week.

### 3K & 4K-Mrs. Zabell & Mrs. Nelson

We have been learning how Jesus lived, suffered and died as our substitute; solving our problem of sin and ensuring heaven for US! Kids are welcome to participate in the procession of palms at St Paul this Sunday. This week we also explored a new sensory table, got creative with sticks, made patterns with links, and created shades and hues of color. Next week we start classes in our new rooms! Help us move on Friday after school, if you're able. Don't forget the children sing on Easter Sunday! Blessings on your Holy Week and Easter worship.

### From the office

As a reminder: if your child is out sick, will be picked up early, or arriving late, please contact the office. There are a number of different ways you can get a hold of us!

- Text or Call: (920) 435-9852
- Email: [office@stpaulgreenbay.com](mailto:office@stpaulgreenbay.com)
- TalkingPoints: School Admins

### Free and Reduced Lunch

Unsure if you qualify for free or reduced lunch? Reach out to Lisa at [Lisa.Ziegert@stpaulgreenbay.com](mailto:Lisa.Ziegert@stpaulgreenbay.com) to get more information. St. Paul has lunch scholarship money set aside for this year.

### News From FVL

For parents of students in grades 5-8: FVL President Jeffrey Loberger will be hosting a Zoom meeting for interested families. Mr. Loberger will share important information regarding making high school affordable. Topics will include WPCP, Tuition Assistance, SCRIP, and more. We want to give you the opportunity to start planning early with the potential of saving thousands!

March 25, 2024 from 7-7:30 PM

[FVL Tuition Planning and Tips Zoom Meeting](#)

Meeting ID: 898 9619 9323

Passcode: OMLSAM
