

Holland High,

Thank you for participating in this Inclusion Week advisory lesson. This lesson invites you to learn about diverse abilities and belonging through videos and reflection. Click the link below to complete the lesson and then submit the google form with your responses.

Teachers, you can engage with the lesson content as a whole group activity (about 40 minutes) OR have students complete it independently. Feel free to discuss the videos and questions with each other!

- **Students** who submit the Google form (submit one per person!) will earn Five Star points and one entry into a raffle drawing
- **Staff** who submit the Google form will receive an item of their choice from the HHS Pop Shop and one entry into a raffle drawing
