

PERMISSION TO USE IMAGES AND RECORDINGS
OF PARTICIPANTS AND THEIR WORK AS WELL AS ELECTRONIC COMMUNICATION

During the course of the MLFA (Middle Level Forensics Association) season, we may use photographs, videos, films, or other media to record or otherwise capture your image, voice, or material resulting from their activities or performances (collectively, "Images and Recordings"). As described below, this form allows MLFA and its contractors, agents, and licensees to use those Images and Recordings.

In exchange for MLFA allowing your participation in the Program, you agree to the following:

1. You grant to MLFA the permanent right to use the Images and Recordings in all types of media in connection with the Program and for other purposes that support MLFA's not-for-profit mission. This permission includes use of the Images and Recordings in any new types of media that might be developed in the future.
2. Neither you nor anyone else acting on your behalf or behalf of your child (if signing on their behalf) will have any right to approve or be paid for MLFA's use of the Images and Recordings.

The adult advisor/director at the school responsible for registering your child as a participant in the program will provide an email address (likely a school-associated email address), which your child will use as the primary means of accessing the SpeechWire & NSDA Campus platform (login credentials and ability to reset password will be established with this email address).

I request that my child be allowed to participate in the program described above. I give permission for program staff to communicate with my child by video link or email.
