WEEKLY BULLETIN | January 6, 2025

SHELBYVILLE HIGH SCHOOL

Welcome back. ~~Final exam make up day is scheduled for today~~ 1/6/2025 (weather permitting). Grades will be finalized this week, and student transcripts should be available by the middle of January.

Remember that what the new year brings to you will depend largely on what YOU bring to the new year. Let's work together to make 2025 the year where we collectively prove it possible to do greater, have greater, and be greater. Not just here at school, but in all parts of life.

QUOTE OF THE WEEK

Happiness is not about getting all you want, it is about enjoying all you have.

Having nudes online is scary, but there is hope to get it taken down. This service is one step you can take to help remove online nude, partially nude, or sexually explicit photos and videos taken before you were 18.

Mrs. Conder used grant funding (Stronger Connections) to purchase two additional **outdoor ping pong tables** along with a **concrete cornhole set.** These items have become very popular during the lunch hour and after school hours. It is very unique to have features like this in a high school, so please continue to show your appreciation by taking really good care of the materials. A special prize will be awarded to the first student who can beat Mr. Ladd in a game of Ping Pong (HIGHLY UNLIKELY).
