Medical Services provided at tournament

An athletic trainer will be located at Tournament Central starting at 7:45am both days and staying until all games end. The trainer will have all necessary supplies to treat standard injuries such as athletic tape, ice, and first aid.

Where will the medical staff be at the event

Tournament Central at Celebration Park (in between the two areas of fields, next to the bathroom facilities)

How can teams contact the medical staff (phone, radio)

Tournament Central is located near all fields and so the athletic trainer can easily be reached at all times. There will also be a GroupMe for all team captains and the tournament staff who will be stationed next to the trainer.

How will event staff communicate weather, emergency & schedule changes to teams

We will use the tournament GroupMe.

Any other relevant information specific to your tournament, if applicable (Facility specific weather policies)

See the Captain's Packet for detailed smoke (AQI) considerations

USA Ultimate Weather Policy (Facility may have their own policy)

You can find more details and information here: [Health, safety, and liability Requirements](#)

For Lightning:

If you hear thunder OR your computer or app shows that lightning has struck within ten miles, suspend activity. If you do not have access to a computer or app that shows the proximity of lightning strikes, suspend play if lightning is seen even if you cannot hear thunder.

For Extreme Heat and Cold:

Refer to [Medical Staff Requirements](#). When the Heat Index reaches 100 F ([see NOAA/National Weather Service Heat Index Chart](#)), play must be suspended. In colder temperatures and/or wetter conditions, it is important to be cognizant of conditions conducive to hypothermia.
