

What's Your \$100,000 Idea?

The Foundation for Eden Prairie Schools (FEPS) is thrilled to announce its plans to award a \$100,000 grant to the Eden Prairie Public Schools in alignment to and in celebration of the district's 100 years! Our generous donors have shown their steadfast commitment to Eden Prairie Schools and we are eager to administer these funds in honor of such a momentous occasion.

The FEPS Board of Directors has determined that this \$100,000 grant must align to the following parameters:

- Impact a large number of students
- Focus on keeping Eden Prairie Schools exceptional
- Engage teachers and staff to identify ideas
- Have a lasting impact
- Highlight FEPS and align to our mission
- Have a clear timeline for rollout

FEPS will align its decision-making process for this \$100,000 grant to our traditional grants voting process. This process includes the FEPS Board of Directors having a majority vote to approve the grant. If approved, FEPS leadership will meet with district leadership to ensure efforts are aligned to district strategies.

If you have a \$100,000 idea you would like us to consider, please complete the suggestion form below and return it to Lisa Sisinni (lsisinni@foundationforepschools.org) no later than Monday, October 30, 2023, at 5:00pm. The FEPS team will be in touch following the review of all submissions to further develop ideas of greatest interest. We appreciate your patience as this may take some time.

Finished proposals can be submitted to: lsisinni@foundationforepschools.org

FEPS \$100,000 Grant Suggestion Form

1. Which site(s) would your idea impact?

2. What issue would your suggestion address?

3. In fewer than 100 words, describe your proposal to use \$100,000 to impact Eden Prairie Schools.

4. How should we reach you if we'd like to know more?
