

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Perfect Co-operation

“While there is apparently no communication between the indwelling Adjusters and the encompassing seraphim, they always seem to work in perfect harmony and exquisite accord.”

[113:4.5](#)

完美的合作

「雖然內住的調整者與環繞的熾天使看似毫無交流，卻總是協同運作，展現出完美的和諧與精妙的契合。」
