Important Notes:

- LD=Leadership Development. ST=Skilled and Technical. OR=Occupation Related. TX=Texas Only, does not advance past state
- All contestants and all contests (Middle School, High School and ADA) should prepare a one-page resume to be given to your Technical Chair at orientation for each registered contest. No resume=10-point deduction to score. No online submission for district. [MS Resume Guide](#)
- Check uniform requirements in technical standards/regulations before arriving to compete to ensure compliance. There is a 10-point deduction for uniform/clothing errors. Uniforms can be confirmed at orientation to allow time to correct before the contest to avoid penalty. National logo uniform not required for district or state, except for leadership red jacket.
- Any job exhibit project notebooks must contain a valid grade sheet with registration sticker attached to be judged. To assist the judging team, please do not place this sheet within a protective sleeve. You will need to print this sheet beforehand as these are not available on site. **Only notebooks will be graded at the district level. Do not bring actual projects to district.** If notebooks qualify to advance to state, the notebook score will be added to the score for the project for final state ranking.
- A professional development test ([study guide](#)) will be given for all contests and all contestants, Middle School, High School and ADA. The score will serve as a tie breaker at district.
- Residential and Commercial Appliance Technology is no longer offered as a contest.
- Audio Radio Technology new name Audio Production.
- Television Video Production new name Video Production.
